

SEDHAPURA BY TOHSANG

INTRODUCTION

SEDHAPURA was named after the ancient Khmer Kingdom dates back more than thousand years ago, present southern Laos, where lies many great legends and deep histories...

Sedhapura by Tohsang truly invites you to live in the region of rich historic legacy and the fascinating multi-cultural pace of life. Surrounded by rivers and mountains, the four villas are nestled to suit for your comfort and utmost private escape.

Step into this little showcase by a timeless Mekong River, you will discover yourself living in one of the loveliest parts of the world...

HIGHLIGHTS YOU SHOULD NOT MISS

The Mekong River vale is steeped in legend and myth. Along its amazing course, there are many living evidences of history of the region. It becomes an unusual landscape of Sedhapura by Tohsang where situating in its drift of civilization that comes along with many great gifts from Mother Nature.

- The Moon River crossed the Mekong River in front of the resort; therefore, it is renowned as “Bi-Colored River”
- First spot to witness the first sunrise in Thailand
- Last spot to view the Mekong River before enters Laos, P.D.R.
- The resort is located next to “Woen Buk Village”- the last village in Northeast Thailand

A NOTE FROM OUR HEARTS

Since one of our aims is to raise a standard of living for urban people, we recruited our staffs from local villages and trained them by a professional team. However, they may not be strong in English skill, but we are certain that they try their best to providing you the best hospitality and the unique brand of service.
